The project number for the Austrian Science Fund (FWF), as referenced in the Acknowledgements, is not correct. It should be ORD 68 instead of ORD 86. The correct Acknowledgements section is stated below.

Acknowledgements. Open access funding was provided by the Austrian Science Fund (FWF). The authors would like to thank the Austrian Science Fund (FWF) for financial support of this study within the project RADIATE ORD (ORD 68) and the Austrian Research Promotion Agency (FFG) for financial support within the project GNSS-ATom (840098).
