Dr. Sayer,

We thank you for the encouraging general remark about the paper.

As for the Figure 3, you are correct there is problem there. Unfortunately, at the last step of the paper type setting we have made a mistake and put the same image for both Figure 3 (left) and Figure 3(right). I have attached the correct figure for the right-hand

C2058

side of the Figure 3. Thank you for noticing.
