Comment

## ***Interactive comment on “Developing a portable, autonomous aerosol backscatter lidar for network or remote operations” by K. B. Strawbridge***

**K.B. Strawbridge**

[kevin.strawbridge@ec.gc.ca](mailto:kevin.strawbridge@ec.gc.ca)

Received and published: 21 December 2012

Unfortunately the referee did not review the discussion paper. Many of the comments are based on an earlier version of the paper before acceptance to publication on AMTD. Particularly comments about CORALNet not being mentioned in the abstract and introduction are incorrect and many of the typos and spelling mistakes are not present in the discussion paper.
