Comment

## ***Interactive comment on “Systematic and rapid extraction of direct downwelling irradiance estimates from Campbell-Stokes sunshine recorder archives” by A. M. Horseman et al.***

### **Anonymous Referee #2**

Received and published: 9 January 2013

I have delivered my comment in a structured way and copy-and-pasted it into the form. The system has removed all paragraph breaks. Now my comments looks rather crude. It's not my fault, the system should be adapted better to copy-and-paste.
