## Interactive comment on "Effects of systematic and random errors on the retrieval of particle microphysical properties from multiwavelength lidar measurements using inversion with regularization" by D. Pérez-Ramírez et al.

## D. Pérez-Ramírez et al.

daniel.perezramirez@nasa.gov

Received and published: 18 September 2013

See the attached document with the answers.

We also would like to mention that those comments are the same that those the referee provided for the quick review before the manuscript were accepted for publishing in Atmospheric Measurement Techniques Discussions. Therefore, those comments were already addressed. Here we mostly provide the same answer to those comments.

C2637

Also, it is important to note that the revised manuscript is attached to the answers of referee 1.

Please also note the supplement to this comment: http://www.atmos-meas-tech-discuss.net/6/C2637/2013/amtd-6-C2637-2013-supplement.pdf
