

***Interactive comment on “Comparison between  
CARIBIC aerosol samples analysed by  
accelerator-based methods and optical particle  
counter measurements” by B. G. Martinsson et al.***

**Anonymous Referee #1**

Received and published: 6 May 2014

I have read the manuscript and I fully share the opinion of the First reviewer. The article could be published in the present form but I support the comments/suggestion of Reviewer 1. I have nothing else to add.
