We would like to thank reviewer 1 and 2 for the constructive comments that aided us to improve our manuscript. In this post we provide our replies to the reviewer's comments. We provide a revised version of the manuscript, in which all changes are highlighted. Revised and added text is provided in blue. In our replies to the comment we provide line numbers, page numbers and figure numbers of the old version of the manuscript (please see the zip-file in the supplement).

Please also note the supplement to this comment:
