Received and published: 21 January 2016

Our responses to the referees were accidentally published as *Personal Short Comments (SC)*. Hence, please regard these two *Personal Short Comments*, posted under my name, as the official *Author Comments*.

This issue was caused by the fact that the manuscript correspondence was delegated to my Co-Author Felix Keis and I was not able to choose the type of comment when submitting, but assumed, my response would appear as *Author Comment*.

I apologize for the inconvenience.
