We noticed a typo in eq. (13) and (14) of the paper which we will correct in the revised version. Instead of

...with  $C(T > 273 \text{ K}) = C(T = 273 \text{ K})$  and  $D(T > 258 \text{ K}) = D(T = 258 \text{ K})$ .

it should read:

with  $C(T > 258 \text{ K}) = C(T = 258 \text{ K})$  and  $D(T > 273 \text{ K}) = D(T = 273 \text{ K})$ .
