The authors are very grateful to Dr. John Rimmer for the insightful and thorough revision of their paper.

Comment #1: The following typographical errors should be corrected: P5 L10 'AOD record Brewer' should read 'Brewer AOD record' P7 L16 'satisfying' should read 'satisfactory' P13 L24 Sect. ??. requires the section number to be inserted.

Answer #1: "AOD record Brewer" now reads "AOD record collected by the Athens Brewer"; "satisfying" was changed to "satisfactory"; the section number was inserted.
