Interactive comment on "Update on GOSAT TANSO-FTS performance, operations, and data products after more than six years in space" *by A. Kuze et al.*

Anonymous Referee #2

Received and published: 18 January 2016

While scanning the paper, I found a typographical error on line 15 of Pg 13 (last sentence of section 3.2.2).

"The ILSF model for V201 is provided from NICE GUIG." should be "The ILSF model for V201 is provided from NIES GUIG." It might also be useful to give the actual web site: https://data.gosat.nies.go.jp/GosatUserInterfaceGateway/guig/techInfo/TFTSILFS.html
