Received and published: 19 September 2016

We would like to thank referee #2 for his/her comments that helped improve the quality of the paper. In the supplement pdf we addressed the comments one-by-one; comments from the referee are typeset in italic, our replies are in normal font, and our changes in manuscript are in blue. Line, page and figure numbers in the referee's comments refer to the original manuscript, whereas in our reply we give page and line numbers that refer to the revised manuscript.

Please also note the supplement to this comment:
