Interactive comment on "HoloGondel: in-situ cloud observations on a cable car in the Swiss Alps using a holographic imager" *by* Alexander Beck et al.

Alexander Beck et al.

Alexander.Beck@env.ethz.ch

Received and published: 20 December 2016

As a result to a comment by the Anonymous Referee #2, Dr. Jacob Fugal was added as a co-author on the paper. Therefore, he was given the chance to proof read the revised manuscript and his comments were also included in the final revised version of the paper.

Please see the attached pdf file for a list of changes made to the revised manuscript.

Please also note the supplement to this comment:
