Received and published: 28 January 2017

Dear Editor,

We like to thank the reviewers for their very constructive criticism. We answered all the reviewers' questions (reproduced in normal black font), see supplement.

Our answers are printed in blue, proposed changes to the manuscript are in black bold face. We are confident that we were able to satisfactorily answer all comments and questions and we feel that our manuscript improved considerably due to the changes made in response to the comments.

with very best regards Angelika Klein
