The caption for figure 4 is not correct (it is identical to the caption for Fig. 3 and does not fit with the contents of the figures). The correct is "Figure 4. (a) Left: RIM–Capon power spectra of atmospheric echoes (Data time: 18:02:54 UT, 21 August 2013); Right: scatterplot of the MSEs of echo power with constant and adaptable range delay corrections. (b) same as (a) but for the circumstance with precipitation. (Data time: 19:17:20 UT, 21 August 2013)."
