

Interactive comment on “Neural network cloud top pressure and height for MODIS” by Nina Håkansson et al.

A. M. Sayer (Editor)

andrew.sayer@nasa.gov

Received and published: 12 March 2018

Dear authors,

This is with reference to your response to the author comment concerning acronyms (e.g. MODIS, AVHRR). While these are indeed the commonly-known names for these instruments, all acronyms should be defined at the point of first use in the abstract and body text of the manuscript.

Best wishes,

Andrew
