Thank you for providing this review of our manuscript!

We have addressed the comments from Reviewer 1 and 2 via a point-by-point response document. This document is attached here as a supplement file.

Per the journal guidance: "After your posts, you have to explicitly finalize the final-response form before you are asked in a separate email to prepare and submit your revised manuscript for peer-review completion and potential final publication in AMT."

Our revised manuscript, with changes tracked, is ready to submit at this time. Ee will do so upon receipt of separate email as noted above.
