Received and published: 28 January 2021

We thank the editor for coordinating the review and the reviewer for the constructive feedback. Here, we answer the questions and address the concerns raised by the reviewer#2 point by point in the format of “reviewer’s comments(in black)/author’s responses(in blue)”. Please find attached a pdf file as "Response to reviewer#2_20210127".

P.S. I apologize for the late response due to the special time...

Please also note the supplement to this comment:
