Received and published: 24 September 2020

We realized that the additional figure showing the comparison of Z-S relationships would not be available until the revised manuscript is uploaded. The figure is attached to this comment. In the figure, M07 is the Z-S relationship for W-band from Matrosov, 2007, doi:10.1175/JAS3904.1. L08 is that from Liu, 2008, doi:10.1029/2007JD009766. The three KB09_* relationships are from Kulie and Benartz, 2009, doi:10.1175/2009JAMC2193.1.

Interactive comment on Atmos. Meas. Tech. Discuss., doi:10.5194/amt-2020-216, 2020.
