## Interactive comment on "Estimation of pollen counts from light scattering intensity when sampling multiple pollen taxa – Establishment of Automated Multi-taxa Pollen Counting Estimation System (AME System)" by Kenji Miki and Shigeto Kawashima

**Anonymous Referee #1** 

Received and published: 28 October 2020

Estimation of pollen counts from light scattering intensity when sampling multiple pollen taxa – Establishment of Automated Multi-taxa Pollen Counting Estimation System (AME System) is an excellent article

I agree totally with comments of Ref 2 and the answer of the authors I have nothing to add best regards
