

The authors greatly appreciate reviewers' and editor's time and efforts to reviewing this paper. The whole text is read through once again to correct typos and rephrase a sentence if necessary. Based on the comment, figure 4c, 5c, and 6c are changed to include "Conv+Stra mean" and the caption is changed to "The mean of all (convective and stratiform) LH". Corresponding text is also changed in line 429 to "The mean of all LH profile is colored in red.".
