

Dear editor :

On behalf of my co-authors, we thank you very much for providing us with the opportunity to publish our manuscript in AMT, we appreciate editor and reviewers for their positive and constructive comments and suggestions.

We have prepared a short video abstract, and uploaded it to the AMT website supplement. We have uploaded the short video abstract to the TIB AV-Portal, but it has not yet been approved, so we have not received the DOI address. Once it passes the review, I will send you the DOI address via email. We are unsure whether it meets the requirements. Should you require any further modifications or adjustments, please do not hesitate to contact me.

Once again, thank you for your support and encouragement. I look forward to the publication of the manuscript in AMT.

Looking forward to hearing from you.

Yours sincerely,

Shuai Li
